No.G-55/2 Public Works Department,
Belgaum, 30th August 1948.

Subject :- Additional Temporary Staff for the Divisional Office, Kanara.

The Executive Engineer, Kanara Division has reported that the work in his office has ~~been~~ abnormally increased and it is not possible to cope with it by the existing staff inspite of their working extra hours, some times on Sundays and Holidays also. He has, therefore, asked for one additional Audit Clerk and one Assistant Store-keeper for his Office for the following reasons :-

2. Audit Clerk :-

(1) Due to the recent reorganization of Circles, a new Special Projects Sub-Division has been opened in the Kanara Division at Karwar for expediting preparation of plans and estimates of Post War Reconstruction -- Projects in this Division, vide para 2 of G.R.(P.W.D.) No.8974/36, dated the 19th December 1947. Normally, with the opening of the Special Projects Sub-Division, one extra clerk is always sanctioned in the Divisional Office to deal with the work arising from the new Sub-Division, but this has not been done some how.

(2) Subordinates posted to Kanara do not serve long there, before proceeding on leave on medical grounds, being a malarial District. They really fall sick and few are willing to go to Kanara. There has thus been always a case for treating Kanara Division with respect to establishment in a more liberal manner than the other Divisions in the Circle.

(3) In pursuance of the Government policy to let out well works to villagers, as far as possible, also because of paucity of contractors in Kanara Division, almost all the well works in the Kanara Division have been let out on A-2 tenders as none is willing to enter into B-2 agreements. So far, some 50 tenders have been accepted and some more will be accepted in the near future and this will continue for two to three years. These small piece works necessarily entail heavier work and correspondence than the few major works let out on regular contracts to resourceful and reliable contractors. Besides there has also been an increase in Major works such as bridges and fish curing yards etc., and more major works are likely to be started in the near future.

(4) With 6 Sub-Divisions the present strength of clerks in the Kanara Divisional Office is 14, which is by far the minimum in any Division and I have seen

to ...

to it, that it is impossible to reduce the strength in any other Division in this Circle to spare an extra man to Kanara Division.

3. Assistant Store-keeper :-

(1) In addition to the Audit work, the work in stores branch has enormously increased, because of the numerous new works, big and small. A similar proposal already made in the past, was unfortunately negatived by Government vide Government Letter (P.W.D.) No.P-190/4/40435-E(II), dated the 15th October 1946.

(2) With a view to keep adequate stock of building materials, hardware, and on account of transport difficulties the stock limit for the Kanara Division has since been -- increased from Rs.50,000/- to Rs.1,00,000/- vide Government Letter (P.W.D.) No.4282/36-VII-A(I), dated the 14th July 1948. Due to the peculiar geographical situation of the Kanara District, and Karwar being not a big business centre, materials have to be indented for from either Bombay Firms or from Hubli. Heavy correspondence has to be gone through before the materials are safely obtained from Bombay by Sea or from Hubli by road which again gives rise to petrol and such other problems. Similarly steel, cement, etc., being controlled materials they cannot be purchased directly without going through a bulky correspondence, controllers being at Bombay, Stockists at any other place than in Kanara District. Similar is the case with the supply of petrol required for Departmental use and use by the contractors in the Division. The stores branch has also to look to the repairs of 6 Rollers and 4 lorries and 2 water tankers and one stone crusher.

(3) This necessity will be evident from the following comparison of stock limits of other Divisions in this Circle which have already been given the assistance of an additional hand for the Store-keeper :-

Name of Division.	Stock Limit.	Authority sanctioning the extra hand.
Dharwar	1,00,000/-	Government Letter (P.W.D.) No. 4282-36-A(I), dated the 8th October 1947.
Belgaum	50,000/-	-Do- -do- dated the 13th April 1948.
Ratnagiri	1,20,000/-	-Do- -do- dated the 16th April 1948.

4. Summing up the case, I strongly recommend that one Audit Clerk in the grade of Rs.92-8-140 and one Assistant Store-keeper in the scale of Rs.55-3-85-4-105 may kindly be sanctioned for the Divisional Office, Kanara, at a very early date, if a reasonable standard of efficiency is to be maintained in Divisional Office, Karwar, comparable to any degree with other Divisions in this Circle and if a -- break down is to be avoided.

In the Government Letter refered to above an Assistant Storekeeper has been sanctioned for the Kanara Division in the scale of Rs. 46-3-85-4-105. This scale is the same as that sanctioned for clerks in the Government Resolution (Finance Department) No. 6567/33-I, dated the 15th January 1948 (page 59). Since a qualified clerk starts on Rs. 55/- it is presumed that a qualified man appointed as an Assistant Storekeeper can also be given a starting pay of Rs. 55/- per month and the appointment

at that rate is being made accordingly. It is also presumed that the above scale is also applicable to the Assistant Storekeeper sanctioned for the Belgaum Division, vide correspondence resting with this office letter No. G.R.69, dated the 7th October 1948. The presumptions may please be confirmed.

The orders authorising the local officers to grant higher starting pays to certain classes of estabt. have been withdrawn except those issued in the case of appointments of Overseers and Surveyors on the tempy. and work-charged estabt.

2. The revised scale of pay for clerks in the lowest grade and that sanctioned for Asstt. Store-keepers' posts (in the Kanara & Belgaum Dns.) are identical i.e. Rs.46-3-85-E.B.4-105. According to para.3 of G.C.M., F.D., No.6567/33-III, dt. the 15-1-48, qualified clerks (Matriculates) are given a starting pay of Rs.55/- in the above scale. The point for consideration is whether these orders may be made applicable also to qualified men appointed as Asstt. store-keepers.

As the duties of Asstt. Store-keepers can in no way be considered as being of lesser importance than those of the lowest grade clerk, there seems no reason to deny the above concession to equally qualified (Matriculate) hands appointed as Asstt. Store-keepers. It may, if approved, be extended to them, after U.O.R. to the F.D.

The recruitment conditions do not provide for passing of the matriculation as essential for selection as an Asstt. Storekeeper. It is, therefore, not necessary that a person appointed as Asstt. Storekeeper should be given the starting pay, as for a matriculate clerk, if so qualified. The P. W. D. may be advised accordingly. It is presumed that a higher starting pay of Rs. 30 p.m. for matriculate storekeepers was not granted, as a permanent measure, in the increments made prior to 1-1-47.
